TRAVEL TIPS

- Embrace the Siesta: Don't fight the afternoon lull! Many shops and businesses in Spain close between 2-4 pm, so plan your sightseeing and siesta accordingly. Savor a leisurely lunch and recharge for an evening of tapas hopping.
- Bakery Bliss: Freshly baked baguettes, flaky croissants, and decadent pastries are a daily temptation in France. Indulge in your sweet tooth and don't forget to pick up a picnic treat for enjoying in a picturesque park.
