# **UNITED ARAB EMIRATES**

The United Arab Emirates consists of seven independent city-states: Abu Dhabi, Dubai, Sharjah, Umm al-Quwain, Fujairah, Ajman and Ra's al-Khaimah. Four-fifths of the UAE is desert but has contrasting landscapes—from the towering red dunes of the Liwa to the rich palm-filled oases of Al Ain, from the precipitous Al Hajar Mountains to the more fertile stretches of its coastal plains. Though small in size (similar to the State of Maine), the UAE has become an important player in regional and international affairs.
